

Point Robinson Keepers' Quarters

Point Robinson Light Station was established in 1885 by the US Lighthouse Service as a maritime navigational aid for Puget Sound marine traffic. Vashon Park District has operated the park since

1997. The volunteer group, the Keepers of Pt. Robinson, have renovated the quarters as vacation rental units.

The sounds of nature, lapping

water, a variety of water birds, and salty sea breezes are interrupted only by an occasional foghorn, the low rumble of a large vessel in the shipping lanes, or a flapping mainsail on a tacking sailboat. Views of the Sound, Mt. Rainier, and the Cascade Mountain Range are incomparable from the site.

The **Keepers' Quarters at Point Robinson** are two renovated/restored homes perched near the lighthouse on the shore.

Quarters A is a three bedroom, two-bath, two-story home which has been beautifully renovated and is completely furnished with accommodations for up to six+ overnight guests.

Quarters B is a two-bedroom, one bath, completely furnished unit with a sitting parlor and accommodations for four+ guests. Quarters B is a true restoration and great care has been taken to restore it to its 1919 historical condition. Both rentals have full kitchens complete for cooking and dining.

The lighthouse is just a 15 minute drive into town. Vashon Island offers a unique shopping experience, featuring many local artists, several restaurants, and a wonderfully restored movie theatre. We also have a museum, local festivals, a farmer's market, a playground at Ober Park and much more.

Both Keepers' Quarters are available weekly and for shorter stays in the off-season.

Life's Simple Pleasures on Vashon Island

"Point Robinson Lighthouse Quarters A is the perfect setting for a family vacation." Sue C. 7/24/16

Wonderful House

"This house was exactly what we were looking for our mini-family reunion. Three adult couples and one toddler fit very comfortably. There was lots of room, enough bathrooms, lots of bath towels and all the games, puzzles and toys you will need. The large kitchen has lots of essential mismatched dishes and cookware." Steve S. 1/13/16

Gorgeous Location, Gorgeous House

"This place is perfect and we could easily have stayed the entire month." Christina S. 1/14/16

Family Reunion

"Wonderful setting and period home...great beach walking and the staff was supportive. The rocking chairs on the front porch were well used by all. It was nice to be on an island yet with easy access to Seattle and Tacoma.

The sail boats on the sound were a great plus and we saw Orcas !
