

# Point Robinson Keepers' Quarters

Point Robinson Light Station was established in 1885 by the US Lighthouse Service as a maritime navigational aid for Puget Sound marine traffic. Vashon Park District has operated the

park since 1997. The volunteer group, the Keepers of Point Robinson, have renovated the quarters as vacation rental units.

The views of the Sound, Mt. Rainier, and the Cascade Mountain Range are incomparable from the site.

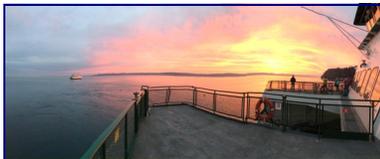

The **Keepers' Quarters at Point Robinson** are two renovated/restored homes perched near the lighthouse on just feet from the shore. Both rentals have full kitchens complete for cooking and dining.

**Quarters A** is a three bedroom, two-bath, two-story home which has been beautifully renovated and is completely furnished with accommodations for up to six+ overnight guests.

**Quarters B** is a two-bedroom, one bath, completely furnished unit with a sitting parlor and accommodations for four+ guests. Quarters B is a true restoration and great care has been taken to restore it to its 1919 historical condition.

The lighthouse is just a 15 minute drive into town. Vashon Island offers a unique shopping experience, featuring many local artists, several restaurants, and a wonderfully restored movie theatre. We also have a museum, local festivals, a farmer's market, a playground at Ober Park and much more.
